REPORT OF THE BOARD OF EDUCATION
OF THE
TOWN OF ROLLINSFORD.

For the Year Ending February 15, 1918

According to the ruling of former State Superintendent Morrison, pupils who had successfully completed the eighth grade were entitled to take the high school or academy entrance examinations and advancement if found proficient.

This practically relieved Miss Allen of the ninth grade pupils, though she is giving the sixteen who remain the advantage of ninth grade work. This seems especially desirable as the majority of pupils leave for work when through the grammar school or when they are sixteen years of age. The few pupils, who formerly attended the Turnpike school have, during this year, been carried to the Sullivan school, the town providing for their transportation.

Miss Margaret Ellis, after several years of faithful work as teacher of grade one, resigned at the close of the fall term to accept a position as teacher of a school in Somersworth. Miss Blanche Hill of Berwick is now

teaching that grade. All our teachers attended the Institute recently held in Dover, and pronounced it as very instructive and entertaining. Each school has received several visits from the board and found in excellent condition. The teachers, without exception, are doing very faithful work and making the most of the generous supplies furnished by the town to promote the welfare and advancement of their pupils.

We notice with a feeling of satisfaction the generous attention given to the ventilation of school rooms and the helpful gymnastic exercises which aid the children in the proper performance of their duties.

The work of dramatization in the lower grades tends to break the monotony which might otherwise follow and lends a certain charm to school experience which is altogether helpful from a mental as well as a physical standpoint.

When we consider every interest for a pupil's welfare, the teacher of today is expected to have, her task is by no means trifling. This we are sure is thoroughly appreciated especially by a thoughtful people.

Twenty-two pupils are attending Berwick Academy. The tuition at the present time is \$36.00, with an extra expense of about \$5.00 for books.

There are eight pupils attending the high school in Dover from Rollinsford and Salmon Falls. The tuition there for out-of-town pupils is \$35.00, with about \$22.00 for transportation.

The list of teachers is as follows :

8th grade—Miss Annie B. Allen.
 6th and 7th grades—Miss Helen B. Tighe.
 4th and 5th grades—Miss Helen Finnegan.
 3rd grade—Miss Bernice Doherty.
 2nd grade—Miss Annie G. Brown.
 1st grade —Miss Blanche Hill.
 Sullivan school—Miss Marie Dempsey.
 Quamphegan school—Miss Edith M. Austin.
 Pear Yard school—Miss Helen F. Guptill.
